

**PLAYER CONDUCT  
OPEN GENDER PENNANTS**

Club's Management and Board have instructed that I inform all Bowlers that it is not acceptable behaviour to play our sport, at any level, but particularly at Pennant and Championship level if you are intoxicated. Nor is it acceptable to use foul and abusive language on the Greens.

In the last few days, we have found it necessary to issue Warning Letters to a small number of Bowlers who breached these simple rules.

Additionally, the Club is now in the embarrassing position of having to apologise to members of a visiting Club.

No one is being asked to curb their enthusiasm for the game and no one is being told that they cannot enjoy a drink while they are bowling. What is being demanded is that both be undertaken with moderation and that foul and abusive language cease immediately.

We are on the cusp of very exciting times at our Club, and we are determined that a few will not spoil enjoyment of the majority. Nor do we intend to stand by and let unacceptable behaviour jeopardise our merger negotiations.

So please, at all times but particularly when you are representing our Club, refrain from any anti-social behaviour and be aware of those around you.

These advices should be interpreted as a General Warning to all members. **No further warnings will be issued.**

Breaches will be dealt with swiftly.
